**MRS. SOPHIE S. BAEHR**

Mrs. Baehr has been in the Winthrop Public School System for eleven years during which she has taught Science and Math. She holds the title Co-ordinator of the Math Department and has been teaching the accelerated math classes. She has the respect of many in Winthrop High and we will truly miss her.

**MRS. IRJA STONEBROOK**

Mrs. Stonebrook has been with us for twelve years teaching Cooking in the Home Economics Department. Although she is only well known by the girls in school, the boys who took the Chef's course in school respect her very much. She in turn has enjoyed her years of teaching at Winthrop High and would like to continue working with children after she retires. We wish you nothing but the best.

# Administrative Office

My Commencement message wishes for you happiness, success and good fortune. If the efforts, dedication, and sacrifices of your parents and teachers have been successful you will leave Winthrop High School having mastered the academics and having developed the highest traits of personal character. In a society where people march to different drummers, the individual who has respect for self and others, will reach his goals and also attain real contentment in life. Congratulations and good luck.

Mr. J. Domenico, Principal

To the Class of 1978:

Graduation marks one of the important milestones in your life. As young Americans striving for the next milestone, you will have difficult choices to make. There will be many opportunities to put your energy, your intelligence and your idealism to work.

This nation possesses the most advanced technology in the world. It has a wealth of natural resources, a diverse economy, hundreds of vocational possibilities, and outstanding educational opportunities. Take advantage of these priceless national assets - and remember that you serve both as their caretaker so they may be preserved, and as contributors to improve these assets for those who follow you.

Yours is a class of great potential, limited only by the bounds of your imagination. As you leave Winthrop High School, you have my very best wishes for peace, prosperity and success.

Sincerely,

A handwritten signature in cursive script, reading "John J. Domenico".

# IF

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise:

If you can dream-and not make dreams your master;  
If you can think-and not make thoughts your aim,  
If you can meet with Triumph and Disaster  
And treat those two imposters just the same;  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build'em with worn-out tools:

If you can make one heap of all your winnings;  
And risk it on one turn of pitch-and-toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Or walk with Kings-nor lose the common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And-which is more-you'll be a Man, my son!

Who Put The Gum On The Ball???

Football is a game associated with words like pride, sacrifice, dedication, attitude, etc. unfortunately, in our society today these words have lost some of their meaning because of their over-use. To define football thus becomes a difficult task. The 1977 Viking Football Team has its own definition. To the people associated with the football program, the season was an emotional experience. Its success was not measured in wins and losses, but in the deep-rooted feeling that existed between the players and coaches. To the seniors who were most responsible for this genuine friendship. I wish the very best of success in their future lives.

HELP!!!

Football is a game usually associated with boys. We broke this tradition at W.H.S. this year with the first Girl's Football Team. The game started out as fun, but as it progressed, it took on a more serious tone. Coach DeGregorio's enthusiasm was contagious. His faith in us carried us on to victory. We set a high mark for next year's girls to strive for, winning by a score of 20-6 and raising 353 dollars for our senior class. We would like to thank Barney DeGregorio for showing us what pride, dedication, and comradeship can accomplish.

## Boy's Cross Country

The Boy's Cross Country team reversed its last year's record and posted a six win and three loss record this year. With Walter Stasio, Gerry Glazier, Steve Dowson, Andy Marcinkowski and Joe Frazier all returning from the past year, there was a great amount of experience present on the team. In the tough Northeast Conference the team placed fourth behind State Champion Salem, Gloucester, and Beverly. It had wins over Lynn Classical, Lynn English, Marblehead, Saugus, Danvers, and Swampscott. The two individuals, that led the team throughout the season were Steve Dowson and Joe Frazier. Steve was the recipient of the Coaches Award, because of his vast improvement from the past year. He never missed a practice and always worked hard. Joe holds the New course record of 17 minutes and 3 seconds. The three mile course winds from the high school to water tower hill and back. The Cross Country team was a combination of five individuals that performed at their best through the total season.

Hey, A Camera!

The Girl's Cross Country Team finished its season with a six win and two loss record. The team finished in third place, behind Danvers, the Northeast Conference Champs and Beverly. Led by Captain Debbie Alioto, Eileen Floyd, Robin Baille and Debbie McIlroy the team had wins over Lynn Classical, Lynn English, Saugus, Salem, Marblehead, and Swampscott. Ginny Kelleher, Tricia Flynn, and Stacy McCollom were also important factors in the winning season. The course record changed hands constantly, but Debbie Alioto set the final record against Saugus in the last home meet. Debbie also, received the Coaches Award in her first season of running and competition. The girl's team had an outstanding year with a group composed largely of Sophomore and Freshmen members. They are looking forward to even better performances and records.

Come On And Dance!

This year's soccer team was young and inexperienced at the beginning of the campaign. They managed only 3 ties in their first 9 games, but they never got down on themselves. With a fine team effort built on pride and dedication, they turned their season around in the second half to compile a 4-4-1 mark. The highlight was a 1-0 final game victory over league champion Danvers. The enthusiasm and spirit developed by the team should carry over to future soccer teams at Winthrop High School.

Over You!!!

The Girl's Basketball Team enjoyed another successful campaign this season chalking up 20 wins to only 3 defeats. There victories were good enough for a second consecutive Northeast Conference Co Championship and a brake in the Division 2 North finals. Only a heart braking one point loss to Newburyport prevented them from defend- ing their Eastern Mass. Title.

The graduating seniors- Mary Murphy, Karen Hill, Linda Wessling, Marie Biggio, and Maureen Reitano- will leave behind a combined 3 year total of 56 victories and 11 defeats. This is a legacy that future Vikettes will have to work hard to uphold.

## Winthrop Varsity Hockey

The W.H.S. Hockey Team started the season optimistic. They were predicted 3rd by H.N.B. and a lowly 4th by Lynn Item, the Conference paper. However, the team surprised everyone by capturing the N.E.C. Championship by a 2 game margin and making it the 3rd in four years. This probably could not have been done without the great support of the Winthrop fans. We would like to send our appreciation to them and everyone who supported us. The team was very happy they were able to win the Crown and make their efforts pay off.

## Boy's Varsity Gymnastics

Coach of the year, George Skane; As appointed by the Salem, N.H. Boosters Club for outstanding performance in the Northshore Conference, led the boy's Gymnastics team through a victorious season. The assistance of former Winthrop Gymnastics star, Peter Gobiell, the dedication of Winthrop fans, and the hard work and determination of the individuals themselves, also helped to contribute to the conference championship. Capt. of the team, Bill Wall, was presented the Conference Trophy at the N. Shore Conference Individual meet. The teams showing at this meet showed great potential for the future and trophies were presented to: John O'Brien-1st on floor ex. and most outstanding in performance. Bill Wall-3rd on horizontal bar. Jim Corbett- 2nd on parallel bars and 2nd on vaults. Best All-Around Team Members should also be commended for their constant great efforts and placing in meets throughout the year. The teams average which steadily increased through the year, was cut short because of cancellations of meets. The boys missed the State Team Playoffs by tenths of a point. They ended up placing 9th out of 50 teams in the state.

The team pulled together under the leadership of Coach Donna O'Neil and Co-captains Ann Matsumoto and Pam Gilfoyle. The Girls Team average steadily rose into the high 80's and allowed them to qualify for the Mass. Northern District Meet in which they placed 9th out of 12 teams. At the N.E.C. Allstar meet, Pam Gilfoyle qualified for all four pieces, Ann Matsumoto qualified for the uneven parallel bars and floor exercise, Paula Gilfoyle on balance beam, and Barbi Barletta on the Vaulting ex. Pam placed 2nd on beam and 3rd on the vaulting and 4th on Bars. Barbi placed 4th on Vaulting. Success can be credited to their great sense of team spirit and every member should be commended for their great performance in the "77-78" season.

The goal of the 1978 Echo staff was a full-color senior section. All the difficulties of raising extra money, getting the senior's pictures submitted on time, taking over the final layout, and (worst of all) meeting the deadlines, were overcome by one of the hardest working, enthusiastic staffs this school has seen. It has been a pleasure to advise this year's staff. After all, this group of people had leaders with plenty of "organism," something we sadly lacked in the past.

The yearbook staff apologizes to the band members for this extremely poor presentation of the band. Due to the storm, we did not receive the band pictures taken by the yearbook company until after the deadline, therefore, we were forced to make do with what we had. ## Working At The Car Wash

This year's senior car wash was a great success thanks to the girl power of the senior class. Oh, yes, four guys did show up. We did however make \$142.05 on October 16, 1977.

Gina its my turn to use the hose.

I told you Margie I'm rinsing the cars.

The senior social this year was a great success. Everyone had a "Boogie Night" at the Cottage Park Yacht Club, Dec. 3, 1977. All the seniors who attended "were there to party" as the song goes. But isn't that what a Senior Social is all about! Congratulations for all the seniors and our class advisors for the best social ever.

# Dedication

Mrs. Charlotte Shopnick

Life! We've been long together  
Through pleasant and through cloudy  
weather;

'Tis hard to part when friends are dear,  
Perhaps 'twill cost a sigh, a tear;

Choose thine own time;  
Say not "Good Bye"; but in some brighter  
clime

Bid them "Good Morrow".

The faculty and students of Winthrop High School will no longer see the familiar face or hear the husky "Hi" of Mrs. Charlotte Shopnick as they walk past the Business office hidden between the art and drama rooms. Many of us did not know her and those who did probably say she possessed a stern personality. Those who knew "Shavey" well said that she was a greatly misunderstood person. Mrs. Shopnick was an actress at heart and, following her graduation from Chelsea High School in 1940, performed in many shows at the Chelsea YMCA. Mrs. Shopnick moved to Winthrop in the mid '50's and remained here some 20 years. She was very active in the Jewish community as she held office in the Temple's Sisterhood, originated a successful Catering Committee, and participated in the Temple's shows held each year. "Shavey" shared her husband's love for children as they both participated in the running of Camp Bauercrest in Amesbury during the summer months.

In 1967, Mrs. Shopnick began her employment in the High School's Business office and became an integral part of the activities at Winthrop High School. She watched secretly from behind her desk each school play being prepared and attended all of the plays with enthusiasm already knowing all the songs and the entire script by memory. "Shavey" loved sports and was a constant spectator to all of the football and hockey games. How ironic it was that it was during a hockey game when she was stricken by an aneurysm which brought her to her death soon afterwards.

"Shavey" will be remembered by the Charlotte Shopnick Scholarship Award established by her family and friends which is awarded annually to a well rounded graduate with an interest in the fine arts.

No, it's a long jumper!!

When the team picture of Boy's Track was taken, no one gave any thought to the possibilities of team members walking out on their fellow team mates or that members would have to be dismissed from the team for poor attitude. It was for these reasons that the coaches of the Boy's Track team preferred that we list the members in good standing rather than present an "out dated" picture of the Boy's Track team.

## Class Day

On May 23, 1978 senior classes were cancelled for the day and at 11:00 a rowdy crowd of soon-to-be graduates gathered at the Elks for a morning of fun and food. At any time before this hour members of the class of "78" could be seen at scattered locations throughout the town, including the Landing and the Cliff.

Once at the Elks, the seniors were welcomed by our emcee, George Hoomis. The presentation of awards to worthy students was then made by Mr. Domenico and the members of the Class Day committee. A delicious lunch prepared by caterer, Mr. Goody, was then served (and greatly needed for some) which was devoured and greatly appreciated.

After we had settled our queezy stomachs we were entertained by Class Day committee member Cheri Fucillo with rhymes about our Class Bests. Tables and chairs were then cleared away and everyone danced to some selected music chosen by Mike Cimmino. The best part of the day came when we all dispersed in "good spirits" for Pioneer Village. Thank you Class Day committee for a day we will always remember!

## Senior Prom

The class of 1978, in keeping with a WHS tradition, held the Senior Prom at the Chateau deVille in Saugus. The band "Livin Sound" was fantastic as everyone found it a pleasure to "boogie down" rather than an effort.

This year's Senior Prom held the distinction of being one of the few proms that occurred after seniors were formally dismissed from classes. The "Senior Farewell", with just one week left before graduation, became the biggest social event of the year as those who attended knew that this would be the last of the "good times" shared by all at Winthrop High School.

I don't believe it!

It's Fred Astaire and Ginger Rogers!!

What ARE you doing?

But I was only joking!

The enchantment is broken at midnight and then I turn back into a snake.

Hey! What about me!

## A Special Thanks . . .

to you Mrs. Diane Poulos, teacher, yearbook adviser, and friend whose pessimism kept us going just to prove you wrong. Through your help, guidance, "organism", and pessimism we were able to produce our senior portraits in color this year and to sail through the fog (deadlines) with flying colors.

The yearbook staff

## Our Apologies

No matter how good we keep telling you this yearbook is, it does have its flaws and so we have objectively thumbed through our book in one last attempt to correct them:

- 1.) In case you're wondering what the first page of our book is, it's a DEDICATION, that was a publishers error.
- 2.) Very funny Richard Hogan but your "phraze" is not well received. We're still trying to figure out how it got past us.
- 3.) Sorry Viketts for no formal picture but there is a picture of you all on page 87.
- 4.) To the very successful but short changed Girl's Varsity Gymnastics team who only received a one page layout, we apologise. We admit this was totally our fault as we misplanned the sports section.
- 5.) It's so pathetic that we just have to apologise just one more time-sorry band members for the poor pictures
- 6.) Thanks Monique, Joyce, Pat, and Pat for picture identifications.
- 7.) Just a personal comment, we had a very time with this supplement as far as pictures go. Many of the sports candid were of the same people all the time so senior athletes, if your candid isn't in your senior supplement you know why.

## A Note From The Editors:

All year long we have tried to the best of our abilities to produce an enjoyable and quality yearbook. We hope we have succeeded. A yearbook is more than just a book which contains pictures and sentimental poems of farewell, it is perhaps one of the few material products of high school that you have taken with you for the storage of your memories. It is our wish that thirty years from now when you are cleaning out your old closet or attic, you will find this book (that you had packed away) and while you are thumbing through it once again, you will smile to yourself as all of the memories you thought you had forgotten unfold in the pages of this book.

We would like to thank our excellent staff for all of their hard work and cooperation. We also would like to thank all of our patrons and most of all you, the buyers of this book.

May the future years be better than the ones you have known and that life reveals to you the best it has to offer.

And now a stranger's privilege I took;  
And, drawing to his side, to him did say,

A gentle answer did the old Man make,  
In courteous speech which forth he slowly drew:  
"What occupation do you pursue?"
